Our Code of Conduct

By purchasing a badge to BABSCon 2024 and participating in this event, you are agreeing to follow the rules outlined here and on our website.

Please be respectful to Attendees, Guests of Honor, Community Guests, Cosplayers, Musicians, Press, Hyatt Regency SFO Staff, and Convention Staff.

BABSCon is a convention suitable for all ages. As such, excessive use of profanity is prohibited in convention areas.

Appropriate clothing, as defined in our General Dress Code, must be worn while in public areas. In other words: naked is not a costume.

Smoking of tobacco products, use of e-cigarettes, and use of other vapor producing devices are allowed only in designated smoking areas.

Public consumption of alcohol is prohibited outside of designated areas on Hyatt Regency SFO grounds.

All Hyatt Regency SFO Policies, Burlingame Ordinances, California State Laws, and Federal Laws of The United States of America must be adhered to at all times.

Partaking of Medical and Recreational Marijuana is allowed only in the designated smoking areas by Hyatt Regency SFO Policy.

Children under the age of 14 must be accompanied at all times by a parent or legal guardian.

While the majority of BABSCon's events and panels are suitable for all ages, access to some events and panels may be restricted due to content or other considerations. All attendees present at a limited access event or panel must meet admittance requirements.

Service Animals

Service Animals and Emotional Support Animals are not pets, they are working animals. Therefore, there are some simple Rules of Conduct that we expect our attendees to follow:

Please do not pet, call, reach for, offer treats to, or otherwise distract these working animals.

If you wish to compliment the handler on their animal, please direct the compliment to the handler, and not to the animal.

Please remind your Foals, and Friends, that these animals are working. No matter how cute they are; these working animals are not available to be interacted with, unless the handler gives the initial offer.

Have any questions or concerns?

Feel free to speak with our ConOps team, located on the atrium level in Boardroom II

The Story So Far...

Ten years. Ten long years have gone by since the inaugural BABSCon event shook the foundation of San Franciscolt and reshaped it forever. Over that past decade there have of course been ups and downs. There's been joy, laughter, and harmony. But there's also been trouble makers, evil-doers, and certain queens who have tried to make our beloved event less a happy time and more a showcase of villainy. It's thanks to our three heroes, Golden Gates, Silver Span, and Copper Chip who have kept us, and BABSCon, safe from harm. They, along with their allies Foreshock and Andreas, are the ones who the ponies of this city look to in times of crisis, to know everything will be just fine.

After returning from space, it seemed everypony was more than ready to pick up where they had left off and continue on with their lives. Only Golden Gates hasn't been heard from for quite some time now. With BABSCon approaching she's needed now more than ever, but where has she gone?

And why does the air in San Franciscolt suddenly smell a lot...sweeter?

Welcome, everypony!

It is with great pleasure that I welcome you back to BABSCon 2024, for our 10th year anniversary celebration! Since our founding in 2013, and starting with our first event in April 2014, we've had eight in-person events and two online, making BABSCon a decade-running.

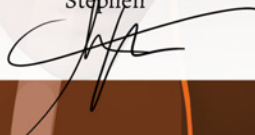

I want to first and foremost thank YOU for attending our humble convention. You, our amazing attendees, artists, vendors, sponsors, support us in many different ways, but most importantly by simply coming and being here for our convention. You are the backbone of our community that made it possible for us to make it to our tenth year. Without all of your support, we would have never made it this far.

I also want to take a moment to thank my very hardworking and supportive staff. It's no secret that we've had struggles leading to this point. This year especially was hard fought with many different challenges that required everyone to come together and work as a team to solve. And finally, I want to extend a special thank you to the support offered by my vice chair, Zemming, and all my directors whose countless hours of work was critical.

Truthfully, my job as chair is very small. The credit for making BABSCon what it is goes to YOU, our incredible attendees and sponsors, and to the staff who put in countless hours of work to bring all of our shared dreams to life.

With that, I say thank you for your support and welcome to BABSCon 2024. I invite you in with open arms to enjoy this small moment in time as we spend the next three days together in what I hope will be an experience that will last a lifetime.

Your humble servant,
Stephen

Welcome to my Chocolate Factory!

Greetings to everypony from Missus Whinny Wonka. I hope you are enjoying my Chocolate Factory. I have a very special announcement: I have hidden throughout the convention ten **Goldie Tickets**. Whosoever obtains one of these **Goldie Tickets** will be granted a lifetime supply of friendship!

In addition, the ticket holder and their friend will have access to certain special events, an hour in the fabled Chocolate Room, and a sample of my most prized confection. There are also thirty **Silver Span Tickets** and many **Copper Cards** to find which can be exchanged for other rewards. If you obtain one of these tickets, they can be redeemed at the Con Store or by following the instructions on the ticket.

How do you find these tickets? By participating in the convention! Some can be won in gaming and cosplay contests, several can be obtained by purchasing merchandise from the Con Store and Vendor Hall, still others can be awarded from donations to charity and room parties, and one is hidden behind riddles.

Check our social media and website for updates on how many tickets have been won and how many still remain!
